Attention: Mayor's Office, City Councillors

Dear Mayor Spearman and City Councillors;

On behalf of [your organization], I/we would like to provide this letter of support for a proposed Performing Arts Centre for the City of Lethbridge. This is an important project for the City and the surrounding communities and there is hope that it will come to fruition in the near future.

The City of Lethbridge has a vibrant arts community and professional performing arts centre would only add to the inventory of facilities that enhances our city. It would be wonderful to be able to have another facility in which both local and touring groups can perform in. For a city the size of Lethbridge, there is a need to augment the availability of performing facilities and the proposed Performing Arts Centre will be able to fill that need.

[Discuss how a Performing Arts Centre would enhance your business, organization, etc]

As our City approaches 100K people, Lethbridge must remain competitive in all areas, arts and culture not to be excluded. Adding a modern performing arts centre will only strengthen Lethbridge's ability to be a leading city in Alberta and Canada.

[Your organization] is happy to be a supporter of the Performing Arts Centre and we thank you for your consideration of this letter as we fully appreciate the complexity of budgetary decisions made by yourself and fellow Council members.

Sincerely,
